

FRANKFORT ROUNDABOUT.

Don't drive a spavined horse as long as you can get Kendall's Spavin Cure for \$1 a bottle. As a powerful liniment for deep-seated pains on both man or beast it has no equal. See advt.

Stoney Creek.

Most of the farmers are done gathering corn and killing hogs.

Mr. Curtis Evans, of Henry county, paid his friends and relatives a visit near this place last week.

There was a social dance given at Mr. Henry Grubb's Wednesday night, which was enjoyed by the young folks until a late hour.

The debate at the school-house in this vicinity Saturday night, as usual, drew quite a large crowd, and all seemed to enjoy the occasion very much. The question was argued by D. P. Bentley and J. R. Fears, and others, and decided in favor of the affirmative.

Our school will close in this district (7th) on the 23d inst. It has been conducted for the last eight months by Mr. Joseph R. Fears, who has given general satisfaction to all the patrons, and we regret that he has to leave. He is going to take charge of a school in Henry county.

That fellow from the other side of the river who wants to swap girls for boys should bring them over. All the boys want partners over here, and our girls prefer boys from a distance, so that when Ma comes she will not stay too long.

W. S. McCord has traded his entire stock of goods for a farm near Gratz, in Owen county. Mr. McC. will be sadly missed as he never had an equal in this part of the State as a business man. Beginning here fourteen years ago with nothing, today he is worth twenty or thirty thousand dollars, all accumulated by his own wits, without aid from any source. While we lose one of our best families, Owen gains one. Mr. and Mrs. Mag and family will be greatly missed by their many warm friends here. NELLIE.

Butler Branch and Will Hawkins went hunting one night recently. After having traveled many miles, encountering innumerable thickets and other obstructions, and when just on the eve of giving up in despair their ears were saluted by the welcome sound of their faithful dog, Drum's bark. "Ah!" said Will to Butler. "Now for some fun." "I'll bet that's a Coon" said Butler. So hurrying forward they soon came to the spot where the dog was. To work they went, and after an hour or more of constant toil they were rewarded by capturing a whaling old-mouse.

When you have got an old horse that has passed the market period, apply a bottle of Kendall's Spavin Cure, and the result will be marvelous. Read advertisement.

Pedestrians have been complaining a great deal this week about the muddy and sloppy condition the Railroad Bridge has been in, and would like to know whose duty it is to clean it up.

Mr. Will S. Marshall, jr., editor of the Fayette Enterprise, a newly weekly paper printed at Lexington, was over the first of the week soliciting subscriptions. He met with good success.

Last Wednesday morning little Freddie Grinstead, in running across the school-room floor at recess, stumbled and fell, striking his forehead against the corner of a bench, and making an ugly, though not dangerous wound over his right temple.

Last week we were shown the painting and graining at Capital Hotel, done by Mr. Jno. W. Cox, a citizen of this place, which surpasses anything of the kind we have ever seen for beauty and excellence. Mr. Cox is surely a master of his trade.

Mr. John W. Suter has left us and moved to Sredmantown. While we regret that we had to give him up as a neighbor, we hope that he will be pleased with his new home and friends.

A beautiful line of Christmas toys can be found at Hend & Co's store, and as cheap as can be found in the State. Come, boys, and select a Christmas gift for the dear girls. To show you that they mean what they say they will sell you a mule for fifteen cents. Isn't that cheap enough?

A few of the many friends of Miss Bettie and Mr. John Lyon were invited to spend the evening of last Saturday with them. The Secret

of the universal success of Brown's Iron Bitters is simply this: It is the best Iron preparation ever made; is compounded on thoroughly scientific, chemical and medicinal principles, and does just what is claimed for it—no more and no less.

By thorough and rapid assimilation with the blood, it reaches every part of the system, healing, purifying and strengthening. Commencing at the foundation it builds up and restores lost health—in no other way can lasting benefit be obtained.

75 Dearborn Ave., Chicago, Nov. 7. I have been a great sufferer from a very weak stomach, heartburn, and dyspepsia in its worst form. Nearly everything I ate gave me distress, and I could eat but little. I have tried everything recommended, have taken the prescriptions of a dozen physicians, but got no relief until I took Brown's Iron Bitters. I feel none of the old troubles, and am a new man. I am getting much stronger, and feel first-rate. I am a railroad engineer, and now make my trips regularly. I can not say too much in praise of your wonderful medicine. D. C. Mack.

Brown's Iron Bitters does not contain whiskey or alcohol, and will not blacken the teeth, or cause headache and constipation. It will cure dyspepsia, indigestion, heartburn, sleeplessness, dizziness, nervous debility, weakness, &c.

Use only Brown's Iron Bitters made by Brown Chemical Co., Baltimore. Crossed red lines and trade-mark on wrapper.

FROM COL. L. T. FOSTER.

Youngstown, Ohio, May 10th, 1886. Dr. B. J. KENDALL & Co., Gents:—I had a very valuable Hambletonian colt that I prized very highly. He had a large bone spavin on one joint and a small one on the other which made him very lame; I had him under the charge of two veterinary surgeons who failed to cure him. I was one day reading the advertisement of Kendall's Spavin Cure in the Chicago Express. I determined at once to try it and got our druggists here to send for it, they ordered three bottles; I took them all and thought I would give them a thorough trial, I used it according to directions and the fourth day the colt ceased to be lame and the lumps have disappeared. I used but one bottle and the colt's limbs are as free from lumps and as smooth as any horse in the state. He is entirely cured. The cure was so remarkable that I let two of my neighbors have the remaining two bottles, who are now using it. Very Respectfully, L. T. FOSTER.
